

Broadcast email pre-Town Council 2026-08-15

Dear Apollo Park Owners,

We want to make sure everyone has the information they need for the next step in the Lunar Vail process.

The Lunar Vail proposal will be brought before Town Council this **Tuesday, August 18th at 6pm**. You can view the agenda once posted [HERE](#) to see when the item will be addressed.

If you would like to participate, registration for public comment will open closer to the meeting. You can register to speak or submit a comment once it becomes available [on their website](#). You can also send input to the council directly by emailing publicinput.vailtowncouncil@vail.gov ahead of the meeting.

As before, we encourage owners to attend, participate remotely, or submit written comments if you're able, your voice matters. Some helpful points to consider raising include:

- The developer does not have our consent
- This proposal does not meet zoning requirements
- The project reduces existing parking that is already needed
- Apollo Park is a vibrant, business-supporting community in Vail

We will continue to share updates as soon as we have them. Thank you again for your continued engagement and support.

Harrison
