

Broadcast email post PEC 2026-07-29

Dear Apollo Park Owners

Thank you to everyone who participated in Monday's PEC committee meeting. We are truly thankful for the outpouring of support through Monday's attendance and the many letters submitted on Apollo Park's behalf. We especially want to recognize the amazing family who had multiple members speak in support at the meeting. The strong turnout made clear to the PEC committee that our owners have a fondness for their time at Apollo Park, and support redevelopment in principle, just not this particular project that does not address the future of our existing buildings.

Unfortunately, the PEC is recommending Town Council approve the project.

We will advise you if or when we hear that this project will be in front of Council.

As always, we'll continue to share information as soon as we have it. We are not the drivers of this project, and collaboration hasn't always been as strong as we'd like, but we remain committed to working in good faith toward a plan that can ultimately be brought to the owners for a vote.

Thank you again for your engagement and support.

Harrison
