

Broadcast email 2026-07-10

Dear Apollo Park Owners,

We wanted to give you a brief update on the Lunar Vail redevelopment matter before this Monday's Planning and Environmental Commission (PEC) meeting.

Apollo Park and Lunar Vail have mutually agreed to pause the current proceedings while both sides work toward a path forward. A request will be made on Monday to continue the matter until July 27.

Your attendance and input are not required at this Monday's PEC meeting.

It has been truly encouraging to see the overwhelming support for Apollo Park throughout this process, and we deeply appreciate the emails so many of you have sent on Apollo Park's behalf. That support has made a real difference, and we'll continue to keep you informed as this matter progresses.

Thank you, as always, for your patience and support.

Warm regards,
