

LUNAR VAIL LAND INVESTMENTS, LLC.

The Association requested that Lunar Vail, lease holder of the property, initiate a conversation with the Town of Vail regarding what development may be possible on the property. The Town will be deliberate and thoughtful in their consideration of possibilities on this prominent Village site. We cannot anticipate how the Town will respond. We expect their review to take some time.

Please plan to continue to use your condominium at Apollo Park. The property looks lovely, and Vail is a great place to spend some quality time.
